

## Rules of Conduct

**For the health and safety of our visitors and animals, I agree to follow the Rules of Conduct as outlined below. I agree that Mickie's Mini Farm LLC will ask me to leave the premises permanently or for a duration of time at the discretion of Mickie's Mini Farm LLC.**

- Always wear closed toe shoes on the farm (whether in or around a pasture). Open toe shoes (such as sandals) are not permitted.
- Wear appropriate clothing for a farm and expect to get dirty.
- No outside food or drink allowed.
- No vaping, smoking, or chew tobacco allowed on the property.
- No hitting, kicking, or other physical or verbal abuse of our animals.
- No feeding of animals unless given permission by Mickie's Mini Farm LLC\*.
- When asked to leave a pasture or animal, you will abide.
- Do not come on the property unless pre-scheduled with Mickie's Mini Farm LLC.
- No running or playing inside the pastures.
- If an animal is not willing to be touched, please walk away and Mickie's Mini Farm LLC will assign a new animal for that day (even animals can have a bad day!)
- Do not approach an animal from behind. Always approach from the side or front. If you need to walk around an animal from behind, always keep a three foot distance from the animal's rear end (to avoid getting kicked).
- Notify a representative of Mickie's Mini Farm immediately of any injury (visitor and animal)

\*Our animals are on special diets and supplements in some cases. Any food/treats given to them (other than provided by Mickie's Mini Farm LLC) could cause physical harm to the animal so we ask that you refrain giving them any food or drink.
